

We will wait for you at

texprocess

Frankfurt am Main - Germany - June 10/13 2013

Dear Sirs,

We are pleased to announce our presence at the next edition of Texprocess which will be held from June 10 to 13, 2013 in Frankfurt Am Main, Germany.

We will participate in the event with a total of three booths: two booths as **MACPI** for bonding technology and for trousers finishing; and the other booth as **IMA**, in order to offer the best solutions for fabric spreading and cutting.

On this occasion we will have the pleasure to meet and to show you all the news related to the machines that will be shown during the fair.

We look forward to your kind visit. Please feel free to contact us for further information or questions you may have.

We welcome the opportunity to send our best regards,

Macpi Group
